

CV – Mr. Martin A Scott MSc MCSP SRP.

I am Martin Alan Scott MSc MCSP SRP.

I qualified as a physiotherapist in 1996 from the [University of Manchester](#), UK. BSc (Hons).

MSc in Health Services Research, [University of Nottingham \(Trent RDSU, formerly the Trent Institute\)](#), 2007.

MCSP No: 57019

HPC No: PH51289

Since graduating I have worked full-time as a physiotherapist, at Bradford Hospitals NHS Trust and Nottingham University Hospitals NHS Trust. I have worked at the Nottingham Shoulder & Elbow Unit, Nottingham University Hospitals NHS Trust, since Jan 2000, and been Clinical Specialist Physiotherapist since June 2004.

Awards.

- [British Elbow & Shoulder Society Allied Health Professional Travelling Fellowship 2005.](#)

Memberships.

- I have been a member of the [British Elbow & Shoulder Society](#) since April 2001.
- Founder Executive Board member of the [International Board of Shoulder & Elbow Therapists, inaugural meeting Bahia, Brazil 2007.](#)

Publications.

- “Agreement between the Oxford Score and the Constant-Murley Score” (Scott MA, Neumann L, Wallace WA) *submitted awaiting acceptance.*

Committees & Collaboration.

- Founder member of the [International Congress of Shoulder & Elbow Therapists.](#)
- Executive Board Member for the 2nd International Congress of Shoulder & Elbow Therapists, Bahia, Brazil, 2007.
- Programme co-chair for the [3rd International Congress of Shoulder & Elbow Therapists, Edinburgh, 2010.](#)

Conference Moderation.

- [Session VII “Shoulder session & workshop”, 11th GCC Orthopaedic Association Conference, Kuwait, 2007.](#)
- “Glenohumeral instability”, 2nd International Congress of Shoulder & Elbow Therapists, Bahia, Brazil, 2007. <http://www.icss2007.com/>

Clinical Consultancy.

- 4 day training session on rehabilitation of posterior shoulder dislocation and difficult cases, [Uniklinik Balgrist, Zurich](#) ([Professor Christian Gerber](#)) 2004.
- 3 day training session of Balgrist physios on shoulder instability and movement patterns, July 2005.
- 3 day training session on rehabilitation of posterior dislocators, [Salzburg](#) (Professor Herbert Resch) Sep 2005.
- Clinical session on the assessment and treatment of shoulder instability, [Salzburg](#) Dec 2005.

Instructional Courses.

- “The role of the scapula after trauma and elective surgery”. European Society for Surgery of the Shoulder & the Elbow ([SECEC](#)) Heidelberg, 2003.
- [Instructional Course IV, “Atraumatic shoulder instability: treatment with physiotherapy.” SECEC Rome, 2005.](#)
- [“Conservative treatment of shoulder instability”. British Elbow and Shoulder Society instructional course, British Orthopaedic Association, Manchester, 2007.](#)

Conference Papers.

- “The use of IT in the preparation of leaflets and electronic patient guides for shoulder surgery”, (Scott MA, Neumann L & Wallace WA), Healthcare Meets Medical Informatics and Innovation conference, Edinburgh, 2002.
- [“The role of the scapula in rehabilitation from trauma and elective surgery”, \(Scott MA, Neumann L & Wallace WA\). 1st International Congress of Shoulder Therapists in Washington DC, 2004.](#) (paper 21)
- [“Outcomes from SAD surgery –do rotator cuff tears make a difference?” \(Scott MA, Neumann L & Wallace WA\), 9th International Congress of Shoulder Surgeons in Washington DC, 2004.](#) (paper #65B)
- [“Do cuff tears affect functional outcomes in symptomatic shoulders? A retrospective study of over 400 cases”. \(Scott MA, Neumann L & Wallace WA\). British Elbow & Shoulder Society, Telford, 2007.](#)
- “Agreement between the Oxford Score and the Constant-Murley Score”. (Scott MA, Neumann L & Wallace WA), European Society for Surgery of the Shoulder & the Elbow ([SECEC](#)) Closed Meeting 2007 (presented by co-author, Mr. Lars Neumann).
- [“Agreement between the Oxford Score and the Constant-Murley Score” \(Scott MA, Neumann L & Wallace WA\), 2nd International Congress of Shoulder & Elbow Therapists, Bahia, Brazil, 2007.](#)
- [“Time to return to function after SAD surgery”, \(Hunter KS, Scott MA, Hough C, Neumann L & Wallace WA\), 2nd International Congress of Shoulder & Elbow Therapists, Bahia, Brazil, 2007. \(Presented by Scott, short-listed for best paper\).](#)

Lecturing (international).

- Invited speaker (shoulder rehabilitation) to [University Hospital of Geneva](#) Orthopaedic training ([Professor Pierre Hoffmeyer](#)) 2004.
- [Invited speaker \(shoulder rehabilitation\)](#) to the [International Shoulder Course](#) at Villach, Austria 2004.
- [Invited speaker \(shoulder post operative rehabilitation & scapula dyskinesia\)](#) to the [International Shoulder Course](#) at Villach, Austria 2006.
- Invited speaker on shoulder instability & rehabilitation to Sports Shoulder Physiotherapy Conference, Den Hague 2006
- Invited speaker [11th GCC Orthopaedic Association Conference, Kuwait, 2007](#). “Conservative treatment of shoulder instability”.

Lecturing (national).

- Patient demonstration at the Therapist’s session, [British Elbow & Shoulder Society annual conference, Nottingham, 2000](#).
- ENB Post-graduate Orthopaedic Course for nurses (2000-2001).
- Post-graduate Orthopaedic courses for surgeons at Nottingham City Hospital (2000-) and Guy’s Hospital, London (2002).
- [BIOMET](#) Surgical Instruction Courses (2000-, for international groups of orthopaedic surgeons of around Consultant level).
- [Nottingham School of Physiotherapy](#) Sports Medicine module (2001-).
- [Nottingham School of Physiotherapy](#) Hydrotherapy module (2002).
- Ropewalk House Physiotherapy Dept. IST on rotator cuff tears 2003 & 2004.
- Rushcliffe PCT CPD programme on the shoulder in primary care 2003.
- QMC “Rehabilitation of the Shoulder Joint” 2005.
- [Nottingham School of Physiotherapy](#) MSc module “The Sporting Shoulder” 2007.

Posters.

- “Auditing outcomes from shoulder surgery” (Scott MA, Whittaker D, Neumann L & Wallace WA), [8th International Congress of Shoulder Surgery, Capetown, 2001](#).
- [“Better Outpatient Time for Shoulder Patients - The 70 Minute Appointment Fast Track Edu-Clinic”](#) (Wallace WA, Scott MA, Jeon I-H, Mackie A & Merrin S), [9th International Congress of Shoulder Surgery, Washington, USA](#).
- [“Factors affecting outcome from SAD surgery”](#), (Scott MA, Neumann L & Wallace WA), [SECEC 2006, Athens](#).

Courses.

- Co-wrote & co-presented a 2-day course for therapists on the multi-disciplinary management of shoulder problems at Nottingham City Hospital. (2001, 2003 & 2004)
- Co-wrote & co-presented a 1-day course for therapists on the multi-disciplinary management of shoulder instability at Nottingham City Hospital. (2004)
- Wrote and delivered a one day course on the assessment and treatment of shoulder instability, Salzburg 2005
